

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Armana J. Bellow,

Plaintiff

v.

Henderson Police Department,

Defendant

Case No.: 2:22-cv-01144-JAD-EJY

**Order Adopting Report and
Recommendation to Dismiss Action with
Prejudice**

[ECF Nos. 25, 26]

Pro se plaintiff Armana J. Bellow filed this action against the Henderson Police Department (HPD) in state court, alleging that he was the victim of a “false arrest” and excessive force.¹ Because the nature of Bellow’s allegations is federal, the HPD removed this suit to the federal court and ultimately moved to dismiss it for failure to state a claim.² I granted the motion and gave Bellow leave to amend his complaint so that he may have one more chance to attempt to state a plausible claim for relief.³ Bellow filed an amended complaint, styled as a motion,⁴ and the magistrate judge has screened it, determined that Bellow still has not stated a plausible claim for relief, and recommends that I now dismiss this case with prejudice because Bellow cannot establish a viable cause of action on these facts.⁵

The deadline for objections to that recommendation passed without objection or any request to extend the deadline to file one. “[N]o review is required of a magistrate judge’s report

1 and recommendation unless objections are filed.”⁶ Having reviewed the report and
2 recommendation de novo, I find good cause to adopt it, and I do.

3 Accordingly, IT IS HEREBY ORDERED that the magistrate judge’s report and
4 recommendation **[ECF No. 26] is ADOPTED** in full and the motion to amend **[ECF No. 25] is**
5 **DENIED;**

6 IT IS FURTHER ORDERED THAT **this case is dismissed** with prejudice for the
7 reasons stated in the report and recommendation. The Clerk of Court is directed to ENTER
8 JUDGMENT ACCORDINGLY and CLOSE THIS CASE.
